Debriefing of ZRCROWN Scrutiny Team

1. Forwarded under separate cover are the debriefings of the ZRCROWN Scrutiny Team. Attachment #1 is the BQFIEND/LCDRINK debriefing and attachment #2 is the ZRCROWN debriefing.

2. We regret the long delay in transmittal of this material, however, the delay was due in part to L's debriefing reaching our hands approximately one month after the team's exfiltration. It was desired by BQFIEND/LCDRINK that L's debriefing would be used as a comparison. We are sorry to state, however, that what material was passed on to us fell far short of anything we might consider of value.

3. We are forwarding L's debriefing as a means of comparison of the grade of material that is passed on to us.

4. As it is obvious that we are over-zealous in our efforts to cooperate with the ZRCROWNS without receiving a great deal in return, we feel the present procedure for exchange of BQHIVES should be reviewed in the near future.
